Plant a tree in your parish during Lent
10 to 17 April 2025

A fragile world entrusted by God to human care, challenges us to devise intelligent ways of directing, developing and limiting our power LS 78.

God wishes to work with us and counts on our cooperation, He will bring good out of the evil we have done. "The Holy Spirit knows how to loosen the knots of human affairs, including the most complex and inscrutable".LS 80

Life on earth is made up of open intercommunicating systems, in which freedom, growth, salvation can blossom.

The Church reminds us of the duty to care for nature, but at the same time "she must above all protect mankind from self-destruction".Laudato Si 79
