3. IGALELO (*ukusuka kuthotho lwe-Ecclesia*)

Njengoko siza kwiSeshoni yokugqibela yezi nkonzo zomthandazo, kufuneka sidibanise konke esikufumeneyo ukuza kuthi ga ngoku – UMthendeleko bubomi bethu kwaye uvakalisa ubuni bethu. Lo mbhiyozo usitsalela eLizwini nakwiLizwi sibe nguMthendeleko. Sidibana noKristu okhoyo ngokupheleleyo kuthi kwaye kuye abe luluntu lobudlelane, esenza oko sikwenzayo kuMthendeleko ukuze siqonde usindiso lwehlabathi, zonke izinto ezixolelanisiweyo kwaye zibuyiselwe kuYesu. Yaye ngoku kukuba siqonde ukuba eli lithemba novuyo lwethu lokwenene.

Indawo ephakamileyo yoNyaka weNkonzo yeCawa kukubhiyozelwa kwe-Easter Triduum okanye iintsuku ezintathu ezinkulu - uLwesine oyiNgcwele, uLwesihlanu oLungileyo kunye noMgqibelo oyiNgcwele. Le yinkonzo enye ngezigaba ezintathu, ingena kanye kwimizuzu yokubandeleka, ukufa nokuvuswa kukaKristu, nto leyo engundoqo kukholo lwethu. Incopho yezi ntsuku zintathu yi-Easter Vigil, apho sivuselela izithembiso zoBhaptizo lwethu kwaye siqalise amalungu amatsha kwiCawa.

Rhoqo ngeCawa ke i-Ista encinane, ibhiyozela uSuku lokuvuswa kweNkosi. Njengoluntu olukholwayo lweCawa,

sihlanganisana ukubhiyozela iCawa njengokufezekiswa okuqhubekayo kokuqaliswa kwethu kobuKristu kwaye oku kwenziwa ngokubhiyozela uMthendeleko. Ngoko ke, uMthendeleko kukubhiyozelwa kokubandeleka, ukufa nokuvuswa kukaYesu kunye neendlela esikhula ngayo ekuqaliseni kwethu, usindiso lwethu. Ngobulumko bakhe, iCawa ibeka kuwo onke amaKatolika imbopheleleko yokubhiyozela uMthendeleko ngeCawa.

Ngokucacileyo ukubhiyozelwa koMthendeleko kufuneka kube ngaphezu kokuzalisekisa nje imbopheleleko ekubeni uMthendeleko ufuna ukuba sibe nenxaxheba kokubini kwiLiturgy yeLizwi kunye neLiturgy yoMthendeleko. Ukuthatha inxaxheba okunjalo kufuneka kubandakanye wonke umntu kunye noluntu lwabantu bonke abahlanganisene kuYesu. Xa sifumana inxaxheba enjalo ekhuthelweyo nepheleleyo, sitsaleleka kubomi bukaYesu ovusiweyo. Oku kuthetha ukuba uMthendeleko weCawa ukwathetha ngokubhiyozela ukukhula kwethu kuvuko lwethu kuYesu okanye usindiso lwethu. Le yinto yokwenene yangaphakathi – ukuba ngcwele kwaye ikhula ibe bubudlelane – kwaye ikhona njengezithembiso zakhe ezizaliseka kuthi.

3. IGALELO (*ukusuka kuthotho lwe-Ecclesia*)

UMthendeleko usembindini woKholo lwethu lwamaKatolika kunye nobunikazi bethu. NjengeCawa, singabantu be-Eucharistic kwaye kufuneka sihlale sizigqala njengoko kunjalo. Ngelishwa, oku akusoloko kuyindlela esizibona ngayo okanye esiziqonda ngayo. Ngokwemvelo yakhe, iCawa i-sacramental, ityhila uYesu kwaye imenza abekho kwaye akukho ndawo le nto icacileyo kune-Eucharist.

KuMthendeleko apho sibhiyozela ukuba singoobani kuYesu kwaye, kwangaxeshanye, sikhule sibe nguye kunye nendlela yakhe yokuphila. Ukubeka ngamanye amazwi, i-Eucharist yindawo ephakamileyo apho wonke umsebenzi weCawa ulawulwa khona kunye nenqanaba apho onke amandla akhe ahamba khona njengomthombo omkhulu - incopho kunye nomthombo wobomi bethu kuKristu. Obu bomi busoloko bungokaBawo nangabanye.

Ngokuyimfuneko, uMthendeleko konke malunga nokuzincama - umbingelelo ogqibeleleyo kaYesu owenziwe ngoku kunye nokuzincama kwethu okudityaniswe kweyakhe. Ngoko yintoni imibingelelo yethu? Zizo zonke izinto esizenzayo eluthandweni, uYesu asicela ukuba sizenze – sithandane, sixolele iintshaba zethu kunye nabo basinika ixesha elinzima, ukuzisa ukuphiliswa noxolelwaniso kubudlelwane bethu kunye noluntu lwethu, ukunyamekela

amahlwempu nabasweleyo, ukuguqula ihlabathi elisingqongileyo. Kwangaxeshanye ukuzincama kwethu kukuzabalazela kwethu ukuthanda, ukunqula, ukuhlonipha uThixo, ukuzithoba kwethu ubomi bethu kunye nemiyolo yethu kuye, ukukhula kwethu kubungwele kuye. Ngenxa yoko oko kusibuyisela ekubeni singoobani kwabanye. Ukubhiyozela ngokwenene uMthendeleko kukuba sizithobe size sibingelele konke kuThixo.

Ngoko ke amaxesha amaninzi kwenziwa isikhalazo sokuba abantu abafumani nto kwiMisa – kakuhle inyaniso kukuba asisoze sikhuphe nantoni na de sifake into, kuba yile nto yonke le nto. Xa siyiqonda le nto, ngoko sibhiyozela uMthendeleko njengonqulo lukaThixo (imibingelelo yethu kwidini likaYesu elinika uzuko kuThixo) kwaye kwangaxeshanye senziwe singcwele - ngoko oko kubuyela kuthi kuxhomekeke ngokupheleleyo koko sikubeka kuthi kuMthendeleko.

Kuyo yonke into, ubomi bethu bufanele buzukise uThixo (unqulo nendumiso) ekubeni yonke into esinayo nesiyiyo ivela kuThixo. NguMthendeleko odibanisa onke amaxesha nezenzo zobomi bethu kwizenzo esinye esikhulu sonqulo esingaphaya koko sinokukugqala njengento engabalulekanga nengabalulekanga. Hayi indlela ekumangalisa ngayo ukuba ubomi bethu, ngokufuthi obuncinane nobulinganiselweyo, bufanele bube yinxalenye yento enkulu ngakumbi kunathi.

Kungenxa yokuba siqonde ukuba kuMthendeleko siza phambi koThixo size silungiselele kuye ngobomi kanye esibubeka kwidini likaYesu.

Ngokucacileyo ukusuka kule nto, akwanele ukuba siye nje kwiMisa okanye sifezekise imbopheleleko (oku kunokuba yindawo yokuqala kuphela) - kufuneka sijoyine omnye nomnye ekubekeni ubomi bethu bonke

kuMthendeleko, kuYesu kunye nedini lakhe eligqibeleleyo. Ngokuya sisanda, sifanele sinikele ngakumbi nangakumbi kuThixo, siphulukane naye, sibe nguMthendeleko.

Ngamana uMoya oyiNgcwele angasikhuthaza ukuba sithande uMthendeleko ngokwenene ubomi bethu kuYesu kwaye ngamana singakhula kunye njengabantu boMthendeleko.

4. UKUFUNDWA KWEZIBHALO KUNYE NEENGCPAPHUNO ZOKUCINGISISA

ROMA 8:28 – 36

Siyazi ukuba ezintweni zonke uThixo asebenzela okulungileyo nabo bamthandayo, ababizwa ngokwenjongo yakhe. Thina ngokuqinisekileyo kuba ngumthwalo kuba yintoni bethu Iintshukumo ingaba. Nabo wabamisa kwangaphambili wababiza; nabo wababizayo wabathethelela; nabo wayebathethelela naye wabazukisa. Siza kuthini ke kule nto? Ukuba uThixo ngowathi, ngubani na ochasene nathi? Lowo ungamsindisanga uNyana wakhe kodwa wamnikela ngenxa yethu sonke, akayi kusinika nazo zonke izinto kunye

naye? Ngubani oya kuzisa nasiphi na isityholo nxamnye nabanyuliweyo bakaThixo? NguThixo othethelelayo; ngubani oza kugweba? NguKristu Yesu na, owafayo, ewe, owavuswa kwabafuleyo, osesandleni sasekunene sikaThixo, osithethelelayo ngokwenene? Ngubani na oya kusahlula eluthandweni likaKristu? Ngaba imbandezelo, nokuba yimbandezelo, okanye intshutshiso, okanye indlala, nokuba bubuze, nokuba yingozi, okanye ikrele? Njengokuba kubhaliwe kwathiwa, Ngenxa yakho sibulawa imini yonke; sithathwa njengezimvu eziza kuxhelwa."

3. IGALELO (ukusuka kuthotho lwe-Ecclesia)

Ngalo mbono we-Eucharist njengobomi bethu kunye nobunikazi bethu phambi kwethu, kufuneka siqwalasele uhlobo

lwesakhiwo sokubhiyozela uMthendeleko, ofuna ukuthatha inxaxheba kwethu, ukuze umbono ube yinyani kuthi.

I-Eucharist yenziwe ngeetafile ezimbini ezilinganayo - itafile okanye inkonzo yeLizwi kunye netafile okanye inkonzo ye-Eucharist. LiLizwi eliba nguMthendeleko yaye uMthendeleko uyaqonda kuthi uLizwi. Oku kuthetha ukuba iLizwi noMthendeleko baxhomekeke ngokupheleleyo omnye komnye kwaye enyanisweni bayinyani enye. Ngelixa sibeka ugxininiso kwinkonzo yoMthendeleko (sigxile ekuzinikeleni kwaye mhlawumbi nangakumbi kubudlelane), kufuneka siyixabise indawo yeLizwi kulo mbhiyozo omnye wenkanuko, ukufa kunye nokuvuswa kukaYesu.

Masiqale ngenkonzo yeLizwi. Le yincoko phakathi kukaThixo nathi – incoko yothando phakathi kukaThixo nabantu bakhe. Oku kubeka umngeni wokuqala phambi kwethu – ngaba siyamthanda ngokwenene uThixo kwaye sifuna ukuba nale ncoko? UThixo uthetha yaye sisabela sisebenzisa kanye amazwi asinike kona. Isakhiwo yiTestamente Endala (uThixo ulungiselela indlela kaYesu) kunye neNdumiso ye-responsorial. Emva koko kukho ukufundwa kwiiLeta zeTestamente eNtsha (iCawa ephilayo uYesu) kunye ne-acclamation ephendula kwaye ilindele iVangeli. Ekugqibeleni, sifumana iVangeli ngokwayo, oko kukuthi uYesu uthetha nathi apha nangoku. Impendulo yethu kwiVangeli ilula kwaye ithe ngqo – Dumisani iNkosi uYesu Kristu apho siyavuma ukuba siyazi ukuba nguYesu othetha nathi.

Umngeni ongakumbi ulapha kuthi – iLizwi kufuneka libhengezwe ngenkalipho kwaye kufuneka simamele ngengqalelo nomnqweno wokufumana iLizwi ezintliziyweni nasezingqondweni zethu kunye nokuzimisela ukuphila eli Lizwi njengabantu bakhe. Ukongeza ekubandakanyekeni kule ncoko, kufuneka sibone unxibelelwano phakathi kwethu kunye neLizwi njengento ephilayo kuthi - ukumisela thina kunye nobomi bethu ukuze iLizwi likhuthule kwaye liphilwe kwisenzo. Kulapho i-homily idlala indima ebalulekileyo, iingcambu zeLizwi kwinyani yethu yobomi njengabantu ngabanye kunye noluntu.

Le ncoko ikhokelela kwiimpindulo ezingakumbi - ukholo lwethu (ndiyakholwa), ukuthembela kwethu kunye nokuzithemba kuThixo kwimithandazo yokuthethelela esiyiphathisa kuye (iNkosi isiva ngobubele) kwaye ekugqibeleni ekunikezeleni kwethu ngokupheleleyo njengombingelelo kwidini eligqibeleleyo likaYesu - iLizwi liba nguMthendeleko - njengoko sifumana kwiTafale yeLizwi, ngoko sizibophelela eLizwini size sizinikezele kuMthendeleko etafileni yoMthendeleko olandelayo. Kwinkonzo yoMthendeleko, uYesu kwidini lakhe wenziwa ukhona (iLizwi noMoya) – lo nguMzimba wam; eli liGazi lam kwaye kulo mbingelelo sizibeka. Kwakhona sicel' umngeni ngokwe-mibingelelo yethu enikelwa kuKristu. Njengoko uBawo esamkela kuKristu,

3. IGALELO (*ukusuka kuthotho lwe-Ecclesia*)

Le Seshoni iya kuphuhlisa ukuqonda kwethu unxibelelwano phakathi koluntu oluhlanganiseneyo kunye noMthendeleko kunye nemiphumo kuthi. Uluntu lubalulekile kwi-Eucharist kunye ne-Eucharist kuluntu, kuba ku-Eucharist ukuba umanyano loluntu luya lufezekiswa.

Ngokubhaptizwa, sitsaleleka kumthendeleko kaBathathu Emnye kunye nobudlelwane omnye nomnye njengoluntu lweCawa. Ngenxa yoko imbambano yobudlelane bethu, kuBathathu Emnye nakuBathathu Emnye, ibaluleke kakhulu. Nangona sisoloko sizibona njengabantu abaphoswa ndawonye sisibakala sokuba sihlala kwindawo ethile yendawo kwaye ngoko siya kwi-parish enye, inyaniso yahluke kakhulu. Ukuba sizibona njengengqokelela engaqhelekanga yabantu ngabanye, ngoko sinokuzibeka ngokulula ngaphandle koluntu kwaye singabi nayo nayiphi na imvakalelo yoxanduva lwethu omnye komnye. Oku kukukhanyela ubunyani boBhaptizo lwethu kunye nokusilela komntu ngamnye wethu ukuqonda kunye inyaniso malunga noBhaptizo.

Singabantu abangamadlelane, sinxulumene ngokunzulu omnye komnye kuBathathu Emnye omanyansayo kwaye sinoxanduva lokuza omnye komnye ukuze asindiswe kuYesu. Thina kuqala kwaye foremost ubudlelane kwaye

kuphela ke abantu, ukuzisa zethu uniqueness kwaye giftedness ukutyebisa yonke.

IMisa lunqulo lukaThixo esidlangalaleni, olwenza kwangoko konke malunga noluntu. Uluntu oluhlanganiseneyo bubukho bukaYesu, ukuze kuye sinqule uBawo. Kwi-Eucharist, sineyona mbonakaliso igqibeleleyo yokunqula kwethu uThixo kwaye kwangaxeshanye senziwe sibe ngcwele njengoluntu. Ukukhula okunjalo kobungcwele konke malunga nokuba sibe mnye, sibe bubudlelane kwinqanaba elinzulu neligcweleyo.

KwiLiturgy yoMthendeleko kukho ukuzincama nobudlelane, nokuba ngamanye amaxesha sigxininisa ekufumaneni ubudlelane. Le yokugqibela ixhomekeke kwinyani yokuzincama – sibeka imibingelelo yethu kwidini eligqibeleleyo likaYesu elenziwe ngoku kwaye ngoko sizinikela thina kunye nobomi bethu kuYesu kuYise kwaye nayo uBawo ubuyisela oko sikunikelayo njengobudlelane - umbingelelo kwisidlo kunye nesidlo kwidini. Kwakhona imibingelelo yethu yiyo yonke into esizabalazela ukuyenza uBawo asinika yona kwaye oku konke malunga nokuba singoobani kuye kunye nomnye nomnye. Xa siphila le nyaniso yangaphakathi yoMthendeleko, ngoko ukufumana ubudlelane kuba konke malunga nobudlelane bethu.
